MS O AER P

The giving of love is an education
in itself.

259

BF GW AJ WC

Savages, we call them, because
their manners differ from ours.

64

JDR AJ AR BF

The use of money is all the advantage
there is in having it.

128

GO AR BF O

An individualist is a man who says:
I will not run anyone's life, nor let
anyone run mine. I will not rule
nor be ruled. I will not be a master
nor a slave. I will not sacrifice
myself to anyone, nor sacrifice
anyone to myself.

241

AR AJ BF O

When you get in debt you become
a slave.

16

JFK MLK AE GO

The splitting of the atom has
changed everything, except for
how we think.

19

BF AE MC FN

Everything that is really great and
inspiring is created by the individual
who can labor in freedom.

150

AER BF FN VW

We are afraid to care too much, for
fear that the other person does not
care at all.

314

JFK MLK RP AER

You must do the things you think
you cannot do.

183

AR BF VL GO

Only virtuous people are capable
of freedom. As nations become
corrupt and vicious, they have
more need of masters.

245

AR HA FN MX

The only power any government
has is the power to crack down on
criminals. Well, when there aren't
enough criminals, one makes
them; one declares so many things
to be a crime that it becomes
impossible for men to live without
breaking laws.

302

AJ WW RN JFK

If congress has the right under
the Constitution to issue paper
money, it was given to them to use
themselves, not to be delegated to
individuals or corporations.

349

WW BF MLK AJ

Corporations have neither bodies
to kick, nor souls to damn.

339

AR BF AE MC

The progress of science presupposes
the possibility of unrestricted
communications; freedom of expression
and instruction in all realms of
intellectual endeavor.

238

JG JS AJ ER

In the absence of orders, go find
something and kill it.

144

MLK AER MC RP

The future belongs to those who
believe in the beauty of their
dreams.

210

GW P BF AJ

It would be thought a hard government
that should tax its people
one tenth part.

346

O AR JZ SJ

The man who does not value
himself, cannot value anything or
anyone.

116

MX RP JG AR

I started my life with a single absolute:
that the world was mine to
shape in the image of my highest
values, and never to be given up to
a lesser standard, no matter how
long or hard the struggle.

89

BF GW AJ WW

The bank... it is trying to kill me,
but I will kill it.

208

AE FN MX AR

Any power must be an enemy of
mankind, which enslaves the individual
by power and by force; all
that is valuable in human society
depends upon the opportunity
for development accorded to the
individual.

79

HA MX GO AR

There are no dangerous thoughts,
thinking itself is dangerous.

265

GO AR MLK HA

Politically, the weakness of the
argument has always been that
those who choose the lesser evil,
forget very quickly that they chose
evil.

31

GW AR FN GO

If the freedom of speech is taken
away, then dumb and silent we
may be led, like sheep to the
slaughter.

174

HA GO AR O

War is peace; freedom is slavery;
ignorance is strength.

78

P FN O LZ

There are two different types of
people in the world: those who
want to know, and those who want
to believe.

237

AR JG VL FN

Most people are too stupid to act
in their own interest.

226

WC ER RN JS

Don't fight a battle if you don't
gain anything by winning.

299

MLK MX AR JFK

In the long history of the world,
only a few generations have been
granted the role of maximum
freedom in its hour of maximum
danger. I do not shrink from this
responsibility, I welcome it.

110

VL HA AR GO

The most radical revolutionary will
become a conservative the day
after the revolution.

92

AJ GW JG BF

The immediate objectives are the
total destruction and devasta-
tion of their settlements, and the
capture of as many prisoners of
every age and sex as possible. It
will be essential to ruin their crops
in the ground, and prevent them
planting more.

336

GO O MX AR

Until they became conscious they
will never rebel, and until after
they have rebelled they cannot
become conscious.

188

AR HA VW GO

If liberty means anything at all,
it means the right to tell people
what they do not want to hear.

102

FN AR MX GO

The purpose of criminal law is to
punish the enemies of those in
power.

288

ER VL JS WC

The art of concentrating strength
at one point, forcing a break-
through, rolling up and securing
the flanks on either side, and then
penetrating like lightning, deep
into his rear -before the enemy has
time to react.

308

JFK MLK LZ O

If a free society cannot help the
many who are poor, it cannot save
the few who are rich.

322

JG GO HA MX

Evil thrives on apathy and cannot
exist without it.

155

GO AR GW AE

A passionate attachment of one
nation for another, produces a
variety of evils.

165

JDR MT AR GW

A lottery is the perfect tax: laid
only upon the willing.

65

O AR GO MX

In a time of universal deceit, tell-
ing the truth is a revolutionary act.

69

GO SN FN AR

Everything the State says is a lie,
and everything it has it has stolen.

219

JG WC GW ER

The enemy must be annihilated
before he reaches our main bat-
tlefield. We must stop him in the
water, destroying all his equip-
ment while it is still afloat!

If you realize that all things change, there is nothing you will try to hold on to. If you are not afraid of dying, there is nothing you cannot achieve.

7

VL JS ER JG

Ideas are more powerful than guns. We would not let our enemies have guns, why should we let them have ideas?

359

WC JG VL HA

Every age that has historical status is governed by aristocracies.

340

It is the absolute right of the State to supervise the formation of public opinion.

252

Competition is a sin.

356

Those who make peaceful revolution impossible, will make violent revolution inevitable.

355

Nobody can give you freedom, nobody can give you equality or justice or anything. If you're a man, you take it.

62

A good traveler has no fixed plans, and has not intent on arriving.

112

AR WC JS JFK

I believe in one thing only: the power of human will.

331

WC ER AR JS

A single death is a tragedy, a million deaths are a statistic.

32

JG SJ RN VL

If you repeat a lie often enough, people will believe it, and you will even come to believe it yourself.

196

BF AR JDR SJ

If your only goal is to become rich, you will never achieve it.

133

GO AR JFK MX

The very word "secrecy" is repugnant in a free & open society, and we are as a people inherently and historically opposed to secret societies. There is very grave danger that an announced need for increased security will be seized upon by those anxious to expand its meaning to the very limits of official censorship and concealment.

97

GO MX AR HA

You don't have to be a man to fight for freedom, all you have to do is to be an intelligent human being.

283

LZ VW P O

We shape clay into a pot, but it is the emptiness inside that holds whatever we want.

55

P O LZ SJ

Care about what other people think, and you will always be their prisoner.

42

The people who cast the votes don't decide an election, the people who count the votes do.

207

Think of the press as a great keyboard on which the government can play.

334

We are on the verge of a global transformation. All we need is the right major crisis and the nations will accept the New World Order.

The total absence of desire brings happiness. It also brings freedom & liberation, because whenever something is lacking, there are both limits and dependency. Only when nothing at all is lacking, is there the possibility of total freedom. Freedom brings happiness, and happiness is salvation.

235

JG MLK JKL VL

For when people get caught up with that which is right, and they are willing to sacrifice for it, there is no stopping point short of victory.

230

P O MC SJ

The older one gets, the more one feels that the present moment must be enjoyed, comparable to a state of grace.

63

VW MS AER MC

It can be easily understood that there was no place in our life for worldly relations.

88

MT MC HA AR

Power is like being a lady: if you have to tell people you are, you aren't.

124

BF MS AER VW

The real hope of the world lies in putting as painstaking thought into the business of mating as we do into other big businesses.

38

AR MLK MX RP

Whenever you hear a man saying he wants freedom, but in the next breath he is going to tell you what he won't do to get it... [then] he doesn't believe in freedom. A man who believes in freedom will do anything under the sun to acquire his freedom.

146

SJ MX O FN

Never follow anybody else's idea; always follow your own nature -self-nature- only then will you attain freedom. It is better to die following one's nature than to live following somebody else's nature, because that will be a pseudo-life. To die following one's own nature is beautiful, because that death, too, will be authentic.

154

JFK MX MLK O

Injustice anywhere is a threat to justice everywhere.

46

RP MX HA MLK

Non-violence means avoiding not only external physical violence, but also internal violence of spirit. You not only refuse to shoot a man, but you refuse to hate him.

130

MC RP GW JG

We must have perseverance and, above all, confidence in ourselves. We must believe that we are gifted for something, and that this thing must be attained.

59

O AR MT BF

There is no such thing as society: there are individual men and women, and there are families.

149

RN JDR MS WW

America must keep the doors of immigration closed to the entrance of certain aliens whose condition is known to be detrimental to the stamina of the race, such as feeble-minded, idiots, morons, insane, syphilitic, epileptic, criminal, professional prostitutes, and others.

162

VW AR HA MS

No woman can call herself free, who does not own and control her body. No woman can call herself free until she can choose consciously whether she will or will not be a mother.

204

AR LZ MX O

Everybody is looking with their own world of desires, expectations, passions, lust, greed, anger... There are a-thousand-and-one things standing between you and your world: that's why you don't ever see it as it is. There is only one possibility of liberation, and that is your own truth, and all that you have to do is to create a dispassionate eye.

249

O MX GO SJ

The greatest fear in the world is of the opinions of others. And the moment you are unafraid of the crowd you are no longer a sheep: you become a lion. A great roar arises in your heart, the roar of freedom.

222

MLK RP O GO

Let us not seek to satisfy our thirst for freedom by drinking from the cup of bitterness and hatred.

192

BF MC AER JFK

You cannot hope to build a better world without improving the individuals. To that end, each of us must work for our own improvement.

300

You don't tell deliberate lies, but sometimes you have to be evasive.

47

I am extraordinarily patient, provided I get my own way in the end.

8

MS JS RN JG

We do not want word to get out that we want to exterminate the Negro population and the minister is the man who can straighten out the idea if it ever occurs to any of their more rebellious members.

325

MS VW O SJ

You tend to get told that the world "is the way it is", and your life is just to live your life inside the world. Try not to bash into walls too much, try to have a nice family life, have fun, save a little money; that's a very limited life. Life can be much broader than that.

261

JDR JFK SN RN

The first way to address the "war on poverty" is to get rid of currency inflation, and return to a form of money whose value holds over the long term.

134

JDR AR WW SN

Imagine if the population were to discover -through real life experience- what it is to conduct their lives with a currency that does not lose its value, but in reality gains in value.

296

RP MX AR MLK

Whatever my individual desires were to be free, I was not alone; there were many others who felt the same way.

13

JKF RN AE SJ

We can no longer afford to consider air & water common property, free to be abused by anyone without regard to the consequences. Instead, we should begin now to treat them as scarce resources, which we are not free to contaminate.

113

AE P MX AR

One of the penalties for refusing to participate in politics is that you end up being governed by your inferiors.

260

JFK MLK BF P

The price of apathy towards public affairs is to be ruled by evil men.

187

And most important, have the courage to follow your heart & intuition, they somehow already know what you truly want to become. Everything else is secondary.

131

O GO AR SJ

It's more fun to be a pirate than to join the navy.

330

The root problem with conventional currency is all the trust that's required to make it work. The central bank must be trusted not to debase the currency, but the history of fiat currencies is full of breaches of that trust.

294

HA RP MX AR

I want to be treated like a human being.

347

231

Voters quickly forget what a man says.

315

P SJ O BF

The Gods created certain kinds of beings to replenish our bodies; they are the trees, and the plants, and the seeds.

205

AER O AR VW

No need to hurry, no need to sparkle, no need to be anybody but oneself.

257

SJ O GO AR

Your time is limited, so don't waste it living someone else's life. Don't be trapped by dogma, which is living with the results of other people's thinking.

151

JFK SN AR JDR

Banks must be trusted to hold our money and transfer it electronically, but they lend it out in waves of credit bubbles with barely a fraction in reserve. We have to trust them with our privacy, trust them not to let identity thieves drain our accounts. Their massive overhead costs make micropayments impossible.

278

MLK HA RP MX

I'm tired of being treated like a second-class citizen.

350

MX MLK MS RP

If I can sit down for freedom, you can stand up for children.

244

When the President does it, that means it is not illegal....I was not lying. I said things that later on seemed to be untrue.
